

# ROCK and POP

**Adjudicator: Mollie Scott**

**Mollie Scott** is based on the South Coast of the UK but would travel all over the world for her music. She continues to compose her own solo material but also co-writes with other artists and songwriters. She's had vocal training with professionals at ACM, co-writes almost daily with up and coming rapper and producer Parv and has worked as a session vocalist for song writing team 'HALO'.

Music takes her away from the world for a while and lets her express every emotion she's feeling at that time. Mollie loves performing, solo and with other artists, loves the feeling of creativity bouncing around the room when they're working together, and that feeling Mollie gets when she knows she's created a piece of music that she can be really proud of!

Her main influences musically are Beyoncé and Amy Winehouse. Both artists have had a massive impact on the music she writes. Mollie composes mainly R'n'B and soul inspired music/toplines, however she's a very versatile writer and loves to compose in other genres too.

**Head of Section: Claire Blundell**

**Friday 28<sup>th</sup> February**

**Park Community School, Middle Park Way, Havant, PO9 4BU.**
